

The Sudbury Savoyards

Historical DVDs For Sale

We have gone back through our archives, contacted previous videographers and searched our closets. We have assembled a collection of 25 years worth of Sudbury Savoyards Gilbert and Sullivan Videos. In conjunction with our 50th Anniversary Celebration, we have converted all 25 years worth to DVD. Digital media is not subject to degradation with time like VHS Tapes, so these treasures will be preserved for future generations of Savoyards.

Now you too can upgrade your collection to digital format. Through special arrangement with the original videographers, we are offering copies of our historical shows on DVD. We are striving to create DVDs of the highest possible quality. In many cases, we are going back to the camera originals and creating a new digital DVD master.

There are two Order Forms: one for Historical Shows (now including the 2011 double bill of Trial by Jury and HMS Pinafore!), and one for the 50th Anniversary Commemorative Video. Simply fill out the appropriate order form and mail it to us. Instructions are self-explanatory, but you can direct questions to dvds@sudburysavoyards.org. You must include a check. We are sorry, but we cannot accept PayPal, or credit/debit cards. You can pick up your DVDs at a future Sudbury Savoyard event or (for an extra fee) we can mail them to you.
