

Dear Crafters,

Happy New Year! We hope you are all doing well and are already working on your inventory for this years' craft fair season!

The Sudbury Savoyards Fall Craft Fair will be held on Saturday, October 11, 2008. This is our 6th annual fair. **NOTE: The date of our fair is one week EARLIER than usual, due to an unexpected conflict with another craft fair.**

Each year we get bigger and bigger, both in the number of crafters that participate, and the number of people who come to the fair! This year we plan on expanding in to a fourth room. However, we are going to try something different this year, at the suggestion of a crafter from last year's survey. We are going to have the main entrance for the fair be in the center of the building, closest to the front classroom. That way the public will see the classroom and chapel vendors before venturing in to the main hall. We hope that this will help stimulate business in these two outer rooms, and also help promote those who are in the new room this year.

We also want to make mention of a couple of things. In view of these economically challenging times, we will not be raising our space fees this year. We will continue to be (we believe) the least expensive fair to participate in that we know of! AND, your space fee (minus the administrative fee) is tax deductible because we donate it to world hunger relief. In addition, we will also continue to have free admission.

So, please consider joining us this year, or if you have done our fair before, join us again. We welcome any questions you may have. Also, please let us know if you know of someone who would be interested in applying to our fair. Our application deadline is April 15th. You can reach us at 508-628-9772 or, if you have email, at donnarslr@rcn.com.

Cheers,

Donna & Andrea Roessler
